

Date: **May 25-28th 2010**

Place: Conference & Cultural Center of University of Patras

Organiser: Laboratory of Atmospheric Physics of University of Patras & Hellenic Meteorology Society

Website: <http://www.comecap10.upatras.gr>

The Laboratory of Atmospheric Physics, University of Patras and the Greek Meteorological Society is pleased to invite you to the 10th International Conference on Meteorology - Climatology and Atmospheric Physics. The conference will be held at the Conference Center of the University of Patras, in the period 25-28 May 2010.

The conference aims at researchers, practitioners, and students who are active in the field of Meteorology, Climatology and Atmospheric Physics, and also in issues on which the above areas of knowledge are important, as the Air Pollution and Hydrology.
