

Those with boats and even boats Welcome to the ideal place. Numerous natural docks allow trips for fishing lines, fishing nets and lines. But even from the beach, especially from Aigira to Alykes Kato Achaia you can go fishing by line. The water is deep enough, and helps the pebble that is at the bottom, so you can enjoy your hobby.

The same area is a paradise for snorkeling for the depth of the sea and the rocky points that exist. Generally, the prospective snorkeling fishermen will find various species of fishes.
